

WARRANTY FOR ARMSTRONG 95% RH PRODUCTS

10 YEAR
Guarantee

Armstrong guarantees, that in addition to its standard Terms & Conditions of Sale, its 95% RH ceiling tile products ("the material") sold by it shall be free from manufacturing defects in materials or workmanship for 10 years from the date of installation of the material subject to the conditions set out below.

This guarantee only applies when all the ceiling components including Trulok grid and acoustic infill for Orcal metal tiles are Armstrong vended products.

- A.** Prior to installation, the material must be stored in a dry and clean environment that is enclosed and protected from the elements (i.e. rain, snow or other causes of excessive moisture).
- B.** The material must be installed in accordance with all applicable Armstrong specifications and published recommendations in effect at the time of installation.
- C.** During installation the material shall not be exposed to abnormal conditions, namely: humidity in excess of 95%RH; chemical fumes requiring personal protection; vibration; presence of standing water; moisture coming into direct contact with the ceiling (such as could result from building leaks or condensation); or temperatures at or below 0° C or above 30° C. These products cannot be used in external applications.
- D.** Following practical completion, the material must not be subject to abnormal conditions (as described in **C**).
- E.** The material must not bear the weight of any unauthorised loads.
- F.** This guarantee does not apply to material subjected to abnormal wear and tear, dilapidation or abuse and does not cover discolouration of material due to UV exposure or pattern staining as a result of the installation environment. Where appropriate the correct tools must be used to uninstall the material.

Should the material show defects, Armstrong must be advised in writing within thirty (30) days after such defect was first observed.

Where Armstrong confirms such failure, Armstrong will at its expense, deliver to the site new material of the same type and grade in an amount equal to that which has been agreed.

If replacement material is unavailable, alternative product selected by Armstrong will be supplied.

The delivery of such material shall constitute the total liability of Armstrong in respect of the defective material. Armstrong so far as the applicable law permits shall not be responsible for any installation or replacement costs or for incidental or consequential damages of any nature whatsoever and all other warranties or guarantees expressed or implied including any provision that the material is merchantable or fit for a particular purpose are hereby excluded.
